MEMORANDUM FOR: Colonel James H. Macia, Jr., AFOIN  
SUBJECT : Request for ODE Prints  
REFERENCE : TH 5732-7, 15 November 1957

I have discussed with HTAUTOMAT the feasibility of complying with your request for an additional ODE print for Headquarters USAF to be made available to SAC as outlined in your referenced memorandum. To the best of its ability, HTAUTOMAT will gladly comply with this request. However, you should anticipate that on occasion time may not permit meeting this request in regard to every print that is made from the work copy for the purpose of preparing the ODE report. You recall that as of now four copies are made and that in a single night's work over 1,000 prints on occasion have been required.
